

# CHAMPIONSHIP CLUB

The Redwoods Championship Club supports College of the Redwoods' Intercollegiate Athletics Program and provides long-term budget stability. Any amount given to the Redwoods Championship Club is greatly appreciated and demonstrates your commitment to help CR's student-athletes.

The Redwoods Championship Club covers general program expenses, including support for equipment, practice and game uniforms, and travel expenses including transportation, lodging, and meals.

Gifts of \$10,000 or more may be divided and paid in equal increments over three to five years. We will provide your Club benefits over the entire payment period.
