To Whom it May Concern:

I am writing on behalf of the Humboldt County Board of Supervisors in support of the reaccreditation efforts of College of the Redwoods. The College and its programs are a vital part of the continued success and ongoing support of our educational needs in Humboldt County, California, and the surrounding community. College of the Redwoods is a cornerstone institution in our area and is a chief economic driver in our community through workforce training and the contributions made by the students it enrolls. The College provides substantial partnerships and services to the community and its residents and is a leading provider of affordable higher-educational alternatives for its students.

College of the Redwoods falls within my supervisorial district, and I have worked with them on many issues over the past 20 plus years. I fully support the College's efforts to maintain its accreditation through the Accrediting Commission for Community and Junior Colleges. Please feel free to reach out if you would like to discuss further.

Sincerely,

Rex Bohn
