### GENERAL PROVISIONS

1. Service Provider's Warranty: District has relied upon the professional ability and training of Service provider as a material inducement to enter into this Agreement. Service Provider hereby warrants that all its work will be performed in accordance with generally accepted professional practices and standards as well as the requirements of applicable federal, state and local laws, it being understood that acceptance of Service Provider's work by District shall not operate as a waiver or release.
2. Status of Service Provider: The parties intend that Service Provider, in performing the services herein specified, shall act as an independent Service Provider and shall have control of the work and the manner in which it is performed. Service Provider is not to be considered an agent or employee of District and is not entitled to participate in any pension plans, insurance, bonus or similar benefits District provides its employees.
3. Conflict of Interest: Service Provider represents that it presently has no interest which would conflict in any manner or degree with the performance of services contemplated by this Agreement. Service Provider further represents that in the performance of this Agreement, no person having such interest will be employed. If Service Provider participates in the planning, development, or negotiation of an agreement for the District, Service Provider may not subsequently acquire a financial interest in that agreement in violation of Government Code section 1090. Section 1090 violations include, but are not limited to, entering into an agreement to perform any part of a project if Service Provider assisted the District in preparing the plans and specifications for that project.
4. Extra (Changed) Work: The parties expressly recognize that District and college personnel are without authorization to either order extra (and/or changed) work or waive agreement requirements. Failure of the Service Provider to secure proper authorization for extra work shall constitute a waiver of any and all right to adjustment in the agreement price or agreement time due to such unauthorized extra work and the Service Provider thereafter shall be entitled to no compensation whatsoever for the performance of such work.
5. Nondiscrimination: Service Provider shall comply with all applicable federal, state and local laws, rules and regulations in regard to nondiscrimination in employment because of race, color, ancestry, national origin, religion, sex, marital status, age, medical condition, handicap or other prohibited basis. All nondiscrimination rules or regulations required by law to be included in this Agreement are incorporated by this reference.
6. Transfer of Rights: Service Provider assigns to District all rights throughout the work in perpetuity in the nature of copyright, trademark, patent, right to ideas, in and to all versions of the

plans and specifications now or later prepared by Service Provider in connection with the project, if any. Service Provider agrees to take such actions as are necessary to protect the rights assigned to District in this Agreement, and to refrain from taking any action which would impair those rights. Service Provider's responsibilities under this agreement include, but are not limited to, placing proper notice of copyright on all versions of the plans and specifications as Service Provider may direct, and refraining from disclosing any versions of the plans and specifications to any third party without first obtaining written permission of District.

7. Ownership of Work Product: District shall be the owner of and shall be entitled to immediate possession of accurate reproducible copies of any design computations, plans, correspondence or other pertinent data and information gathered or computed by Service Provider prior to termination of this Agreement by District or upon completion of the work pursuant to this Agreement.

8. Indemnification:

(a) Service Provider shall indemnify, defend with counsel acceptable to District, and hold harmless to the full extent permitted by law, District and its Board of Trustees, officers, agents, employees and volunteers from and against any and all liability, loss, damage, claims, expenses and costs (including, without limitation, attorney fees and costs and fees of litigation) (collectively, "Liability") of every nature arising out of or in connection with Service Provider's performance of the project or its failure to comply with any of its obligations contained in these agreement documents, except such Liability cause by the active negligence, sole negligence or willful misconduct of the District. This indemnification obligation is not limited in any way by any limitation on the amount or type of damages or compensation payable to or for Service Provider or its agents under workers' compensation acts, disability benefit acts, or other employee benefit acts.

(b) Service Provider shall be liable to District for any loss or damage to District property arising from or in connection with Service Provider's performance hereunder.
