

College of the Redwoods Administration of Justice Survey

Thank you for taking the time to complete this survey. The following survey is concerned with topics that include your education and training in law enforcement, level of interest in CR degrees and classes in the Administration of Justice program, ways in which the Administration of Justice program can better accommodate students, and some basic demographic questions. Please do your best to answer the survey questions completely and honestly. **All respondents will remain anonymous and all individual information provided will remain confidential. Please do not write your name on the survey.** The data will only be used for the reasons stated above. The Administration of Justice program is working with CR's Institutional Research Department to ensure the confidentiality and integrity of the data.

The data collected from this survey will aid the vocational and technical departments at College of the Redwoods in their efforts to ensure quality instruction. **We can't get this important data without your support.**

Any questions regarding this survey may be directed to:
